

UCHIDA

CARISSA[®] CHAIR

Basic & Simple, but attractive...

CARISSA[®] CHAIR

Six fabric colors and two frame & leg colors are available.
You can select a color in accordance with your preference.

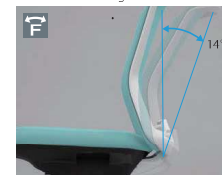

■ Long Stroke for Up and Down

The smooth movement of the gas spring allows the long stroke for 90mm up and down. It enable to support wide range of height requirement.

■ The Free Reclining Mechanism

The back is able to recline within the range of 14°. When recline, seat and back synchronize the movement. This function provide comfortable seating experience.

■ Reclining strength adjustment

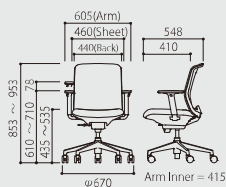

By adjusting the dial below the seat, it is possible to adjust the reclining strength, based on preference and physique.

■ Easy Operation

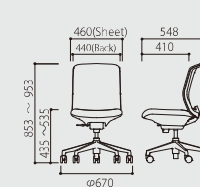

Each adjustment lever and dial are located underneath of seat to access easily. You can adjust it while seating.
