CARISSA 2

カリッサ 2

成長したアイデンティティ。

More sophisticated. More comfortable.

CARISSA2 Chair is a simple but very comfortable task chair equipped with refined weight sensing mechanism supporting your posture gently.

Abundant variation with 2 types of backrests, frame and shell colour choice between black and white. Also you can select fabric and mesh colour from our rich line-up.

座る人に合わせて反力が調整される
オートセンシングメカニズム

Weight Sensing Mechanism.

Weight sensing mechanism that can adjust backrest tension to interact with user's feature. It provides optimum sitting mode without any special adjustment.

快適な体圧分散と多様な座り方に対応する
豊かなクッション性のシート

Abundant Volume Seat Cushion.

50mm thickness cushion produced by firm urethane will receive your weight properly and promote best body pressure distribution for comfort even during long period of sitting.

Reclining
リクライニング機構

Reclining backrest in the range of 20°. And lockable at forefront and backmost.

Height Adjustment
ガス式上下調整

Able to adjust seat height in line with your body feature from SH410mm to 500mm.

Seat Slide
座奥調整機構

Seat depth can be individually adjusted within the range of 40mm distance by easy operation.

Easy Operation
イージーオペレーション

Height adjustment & backrest locking can be done by only one lever and one action.

Adjustable Armrest
アジャスタブル肘

Pleasant soft arm pad with adjustable functions. Height can be adjusted within the range of 80mm. Also able to move pad position back and forth individually.
